During the summer months (beginning the July 4th holiday), when traffic on the Maine Turnpike and Coastal Route 1 is heavy, you may be delayed (at times up to 20 or 30 minutes) in the Wiscasset area whether travelling from the north or south. Please plan accordingly.

Generally, traffic will be slower heading North on Friday afternoon through evening; and conversely, slower heading South on Sundays.

Travel updates for the Maine Turnpike can be found on the web: <http://www.maineturnpike.com>

EZ-Pass is now accepted in all the Northeast and Mid-Atlantic states with toll roads or bridges.
