Searching for Saw-whets

Books

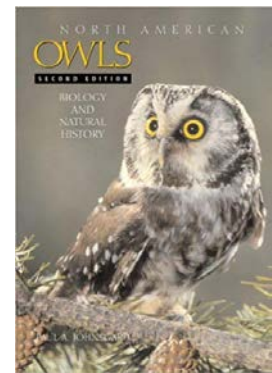

- **Peterson Reference Guide to Owls of North America and the Caribbean.** Scott Weidensaul. 2015. Houghton Mifflin Harcourt. 352 pages.

This comprehensive work covering all the owls of North America, including Mexico and the Caribbean, is the newest addition to the trusted Peterson Reference Guide series.

- **North American Owls, 2nd ed.** Paul Johnsgard. 2002. Smithsonian Institution Press. 298 pages.

With detailed accounts of the nineteen owl species that breed north of Mexico, this comprehensive natural history includes thorough explanations of evolutionary relationships, ecology and distribution, anatomy and physiology, and reproductive biology.
