

2020 Hog Island

*5-day Birding and Nature programs in
Maine for adults, teens, and families*

Spring Monhegan & Hog Island

May 31- June 5

Set out in search of spring migrants and nesting species on territory. The session will include one night on Monhegan Island.

Building Better Birding Skills

June 7-12

Hone your birding skills during the height of the nesting season.

Puffin Islands

June 14-19

Join biologists to learn how puffins and other seabirds live on land and sea.

Coastal Maine Bird Studies for Teens

June 14-19; June 21-26

Get ready for an action-packed program with some of the country's best-known birders and ornithologists. For teens ages 14-17 yrs/old.

Field Ornithology

June 21-26

Learn about bird migration, ecology and family life of birds with discussion and field trips led by expert ornithologists and bird guides.

Mtns to Sea Birding for Teens

June 28-July 3

From Borestone Mountain Sanctuary to Hog Island Audubon Camp, we will explore the diversity of Maine birds. For teens ages 14-17 yrs/old. Rustic accommodations.

Sharing Nature: An Educator's Week

July 12-17

Learn inspiring and practical environmental activities to incorporate into your teaching while exploring Maine coastal and island habitats with expert naturalists.

Creating Bird-friendly Habitats

July 19-22

Learn how to make your community more bird-friendly with native plants and more.

Arts & Birding

July 19-24

Join some of the country's best bird artists and photographers to enhance your bird abilities. No experience or talent needed!

Family Camp

August 9-14; August 16-21

Explore tide pools, pristine forest and ocean life with our expert naturalists, and finish each day with songs and a campfire. For families with children 8-13 yrs/old.

Road Scholar: Saving Seabirds

September 6-11

Get involved in seabird conservation with Audubon biologists! Help with habitat management of Eastern Egg Rock to improve habitat for puffins and terns.

Fall Migration & Monhegan Island

September 6-11

Take part in a special session focused on autumn migration of birds of all kinds. Includes an overnight on Monhegan and Hog Island during peak migration.

Raptor Migration & Monhegan Island

September 13-18

Learn about raptor migration and explore the Maine coast in search of soaring hawks and falcons.
